Division of Adult Parole Operations

The Division of Adult Parole Operations (DAPO) is responsible for protecting the community by enabling parole agents to have an active part in the local community's public safety plans while providing a range of programs and services that offer state supervised parolees the opportunity for change, encouraging and assisting them in their effort to reintegrate [...]

The California Prison and Parole Law Handbook

The California Prison and Parole Law Handbook is a comprehensive overview of the laws and policies affecting people in state prisons and on parole in California. Includes extensive discussion of the administrative appeals and court actions that people can use to protect their rights and to seek remedies. 19 chapters, plus resource lists, forms ...

California Parole Process

The California Penal Code and accompanying regulations require the Board to set a release date for an inmate unless the inmate currently poses an unreasonable risk of danger to the public. Notwithstanding this presumption in favor of parole, the Board currently denies parole to more than 80% of parole-eligible life inmates.

California Parole Laws, Process & System

The history of California parole law. For the most part, California has a mandatory parole system. This means that unless public safety presents an overriding concern, inmates who are eligible for parole must be paroled once they serve their sentence. Eligible parolees are supposed to be paroled unless they present an overriding public safety risk.
