

Download How To Start A Senior Care Services Business A 10 Step Outline

How To Start An Eldercare Business in 9 Easy Steps ...

Step 1. Choose services to offer. Some folks specialize in respite care, others enjoy housekeeping, and others love to run errands. Ask other senior care providers what services are most needed in your town. When you're done, make up a list that can be a part of your flyer or brochure, or an advertisement on Craigslist or on a website.

How To Start a Senior Home Care Business For Under \$900 ...

The national average for non-medical home care services is currently \$24 an hour. **RECOMMENDED SKILLS & TRAINING.** Starting a senior home care business requires no formal education or medical training. The 4 most important skills are: common sense, caring compassion for your senior clients, honesty and organizing skills.

How to Start a Non

Set your prices. Since senior care is a service business, you won't have a lot of overhead. Driving to locations and advertising are the two big costs. To decide what to charge, figure out what you would like to make per hour, what your minimum number of hours are per job and add in fuel costs and divide advertising costs throughout the year.
