## **When to change transmission fluid? | 8th Generation Honda ...**

My experience with Japanese cars like the Civic is that Honda wants you to check fluids monthly, including the oil, brake, coolant and transmission fluid. They want you to change the fluids after a certain mileage. When the maintenance minder gives you a "3" (e.g., A3 or B3 code), that's when you should change the transmission fluid.

## **How to Change the transmission fluid on a Honda Civic ...**

To change the transmission fluid on a Honda Civic, you will need a good rug, a drip pan, 10 quarts of transmission fluid, a funnel and a ratchet wrench. First, remove the dipstick to release the pressure on the liquid. Then, remove the drain plug with the ratchet wrench. You may need to bang on the bolt with a cheater bar to loosen it. Drain the fluid into the pan.
